

Care instructions Aeris Muvman Industry (ESD)

Cleaning of the seat:

Please clean with a soft, lint-free cloth and pH-neutral detergent. For sanitizing, use disinfectants based on isopropanol (2-propanol) or mixtures of isopropanol with hydrogen peroxide.

Attention: Never use disinfectants based on ethanol.

Cleaning of the column:

- The powder-coated column is best cleaned with a soft cloth and a gentle cleaning detergent or with benzine.
- Attention: Never clean the extendable part of the gas spring!

Cleaning of the 3-star base (powder-coated aluminium):

- Dust or light soiling can be cleaned with a mild soap solution or glass cleaner.
- Use a soft eraser to remove abrasive marks from soles of shoes.
