

Assembly Instructions for "Sheriff's Office and Jail"

1: Glue windows into wall pieces. Glue pieces A into wall pieces (B and C) w. door openings. On B place the holes in part A to the left and right sides. On piece C place piece A with hole to the left. Make sure windows and piece A is centered in wall. Be careful NOT to get glue on taps and holes of window pieces. Glue handles onto cell doors. Glue window frames onto wall piece D.

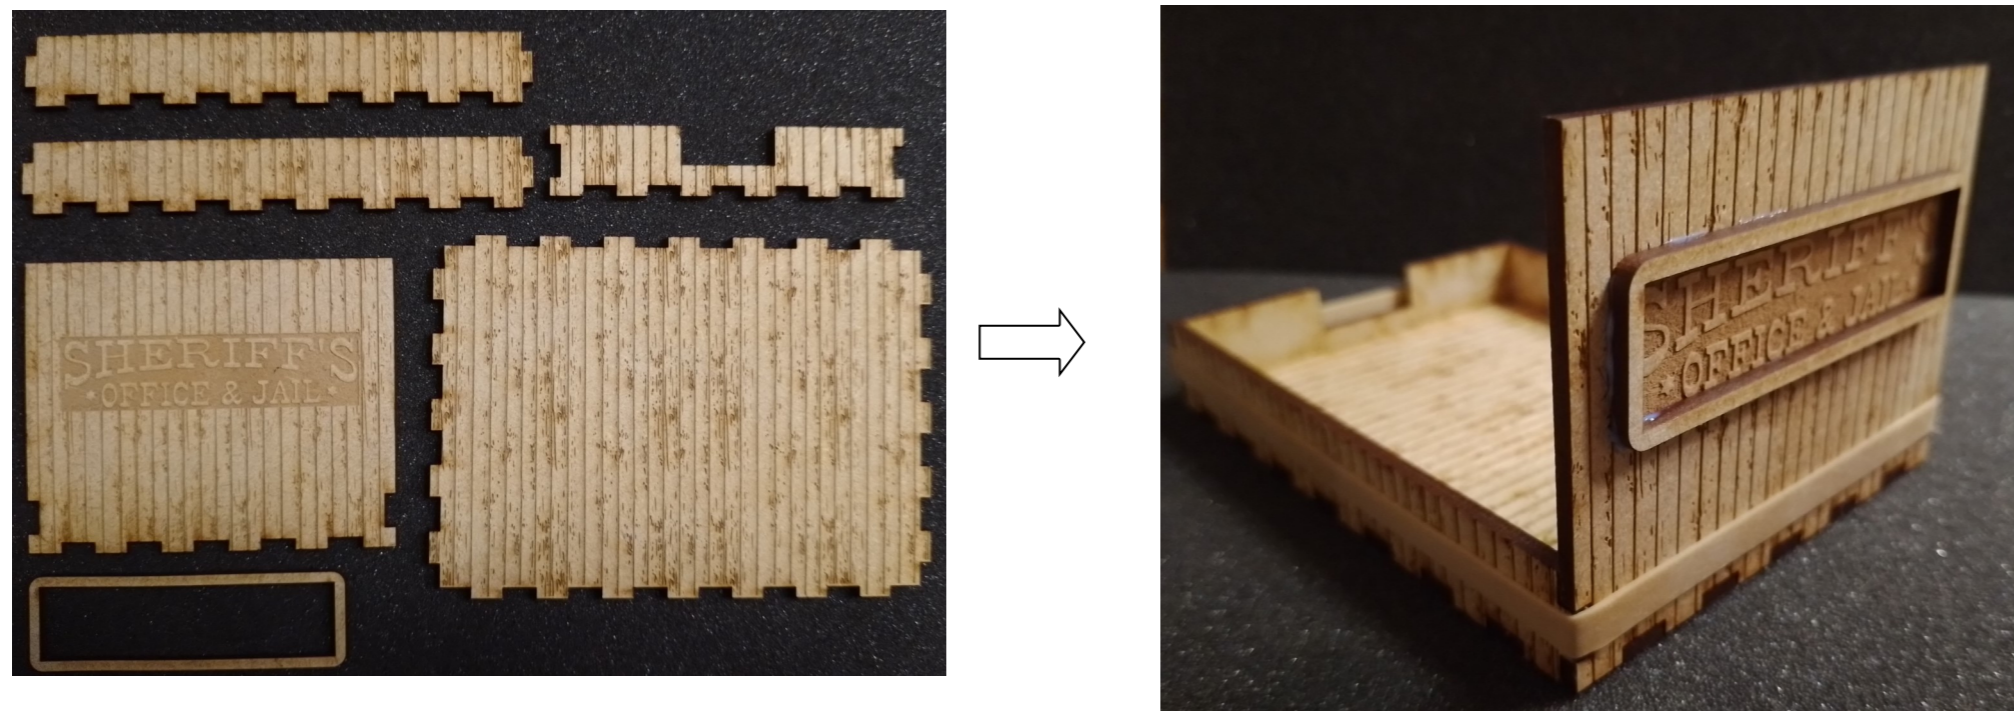

2: Glue together shown pieces to make the prison cell beds (x2).

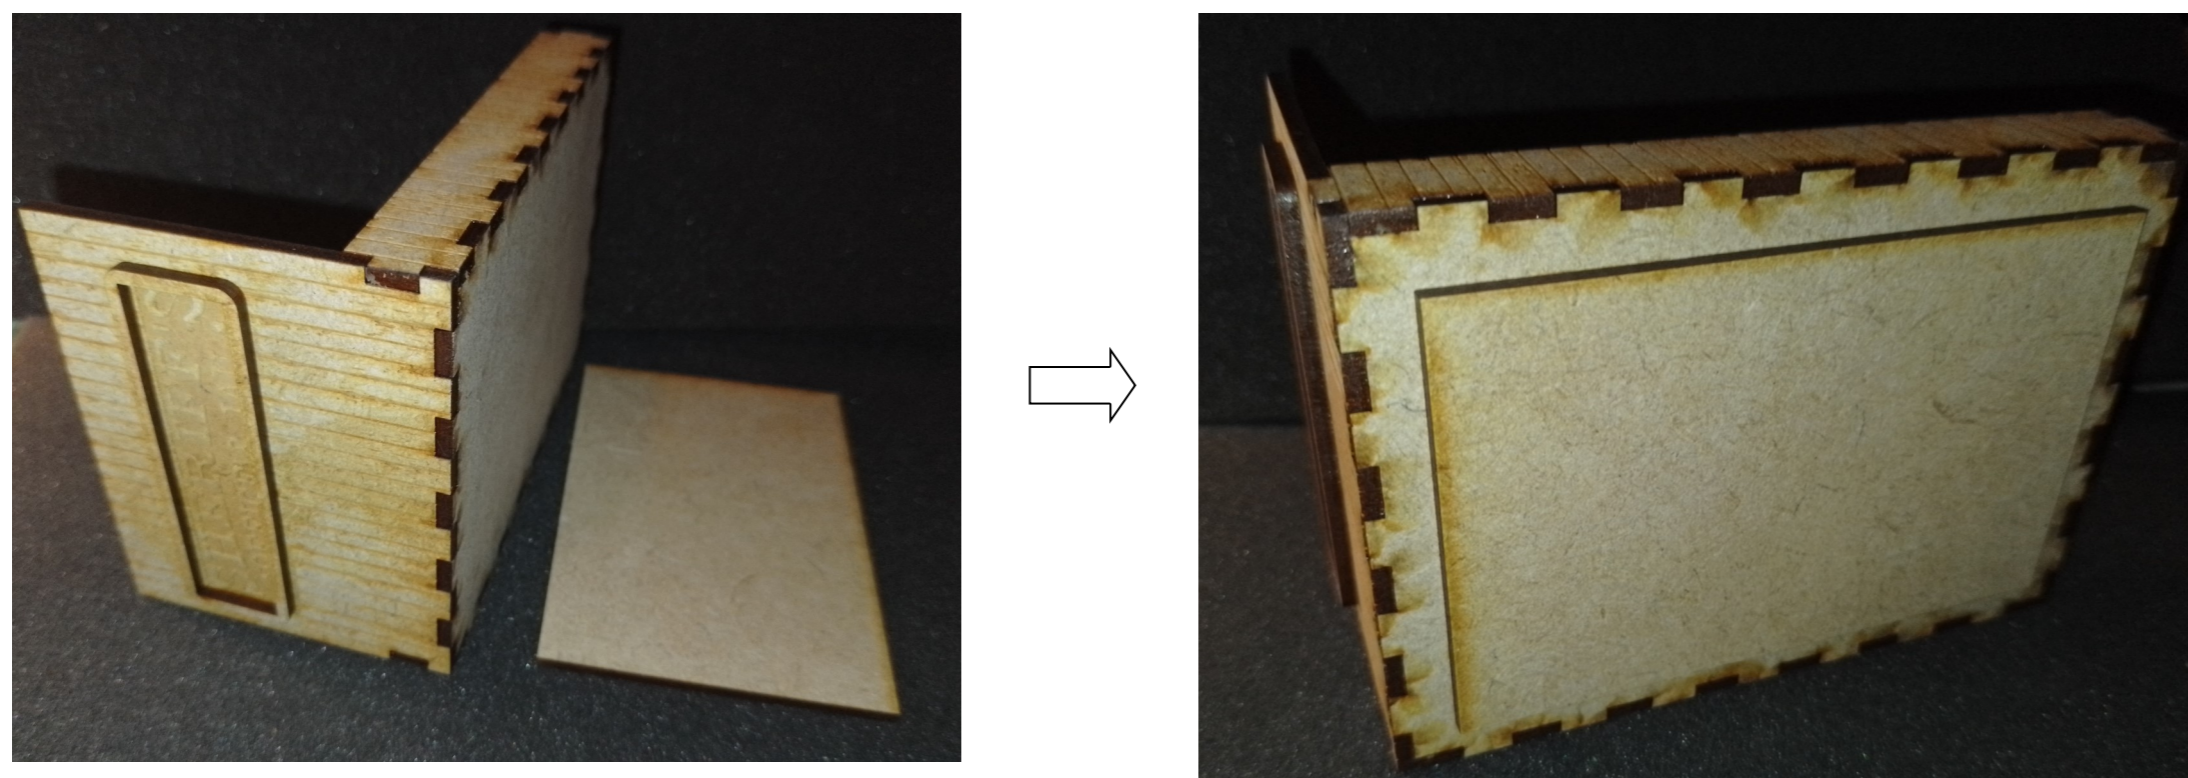

Assembly Instructions for "Sheriff's Office and Jail"

3: Glue together shown pieces for the roof. Add a rubber band until glue is dry.

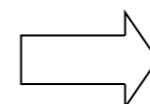

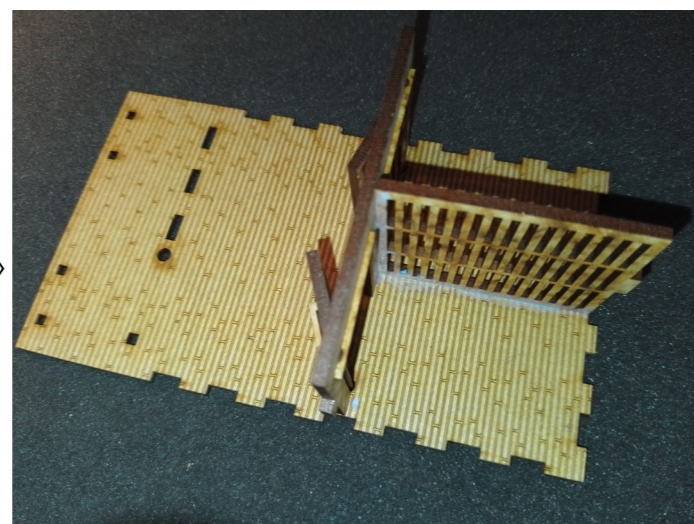

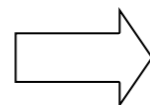

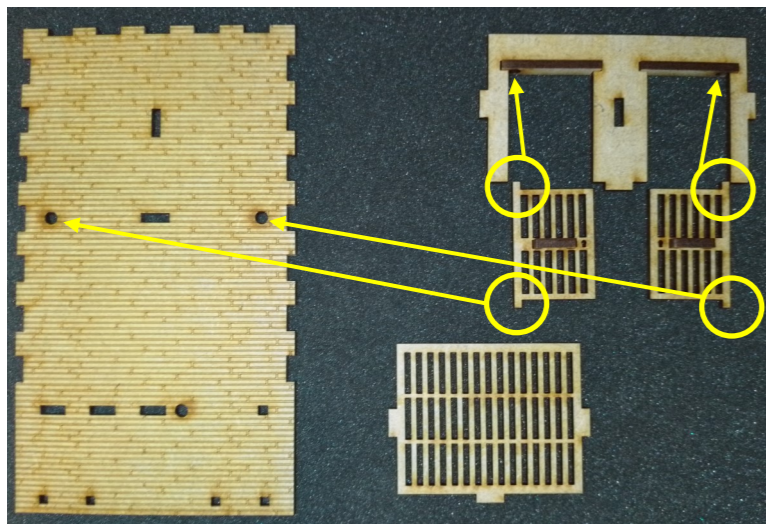

4: Glue shown pieces onto bottom of roof. Make sure piece is centered.

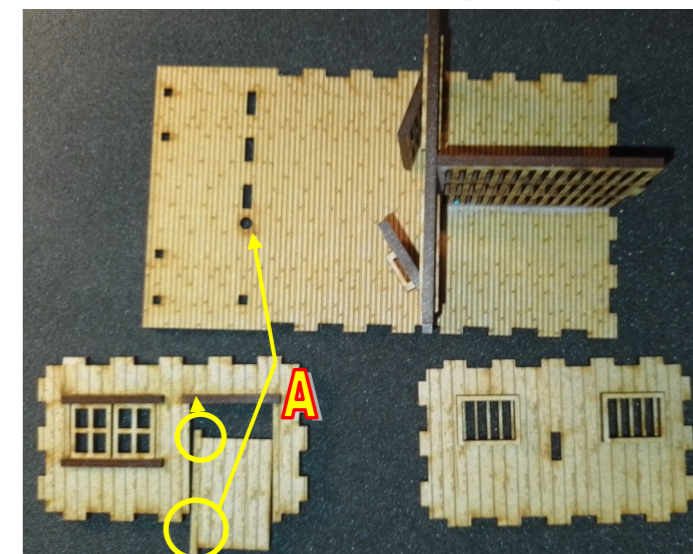

Assembly Instructions for "Sheriff's Office and Jail"

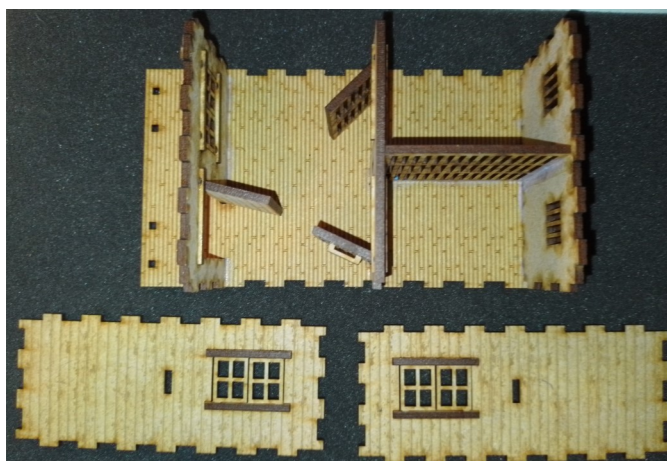

5: Glue shown pieces onto bottom piece. Do NOT glue doors. Taps on doors goes into holes in bottom piece and pieces A in wall piece.

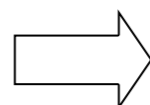

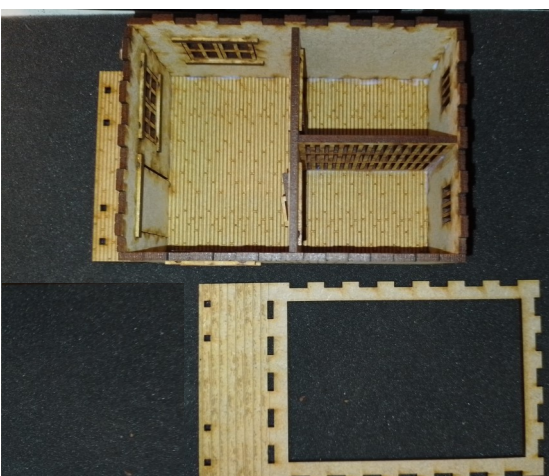

6: Glue front and back piece onto bottom piece. Do NOT glue door. Taps on door goes into holes in bottom piece and piece A in wall piece.

7: Glue side pieces onto bottom piece.

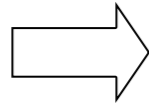

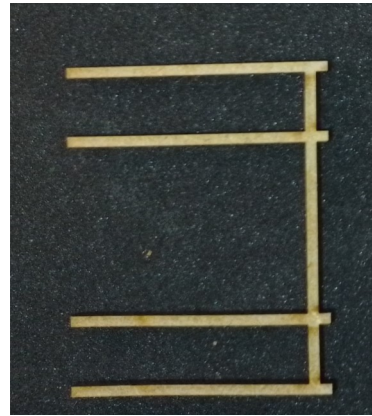

8: Glue shown piece onto the model. Use gentle strokes from a hammer, to get piece in place (Red circle).

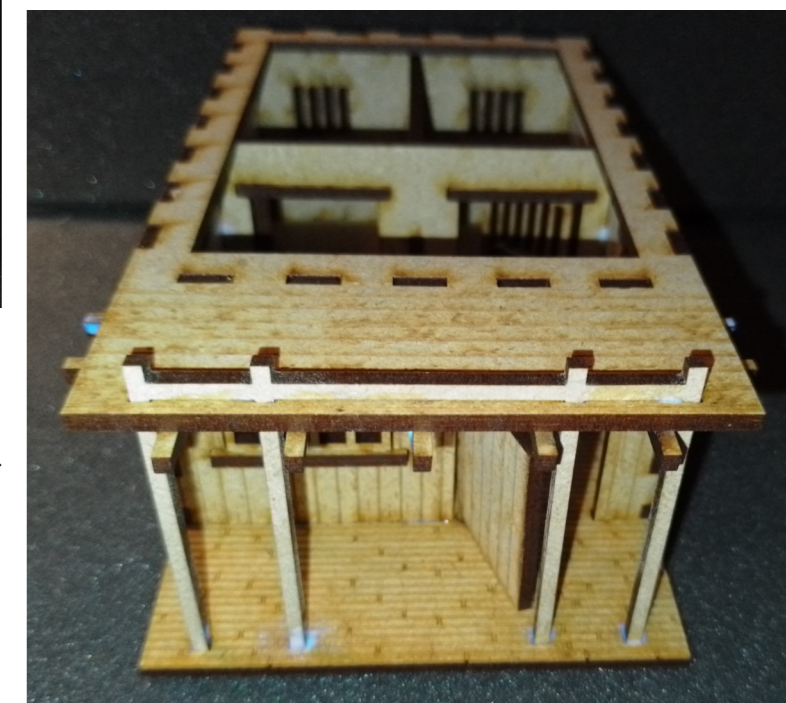

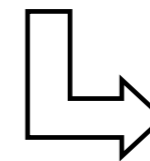

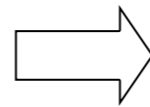

Assembly Instructions for "Sheriff's Office and Jail"

9: Glue shown piece onto the model. Use a little sanding on both sides to make it "slide in-to place" a little easier.

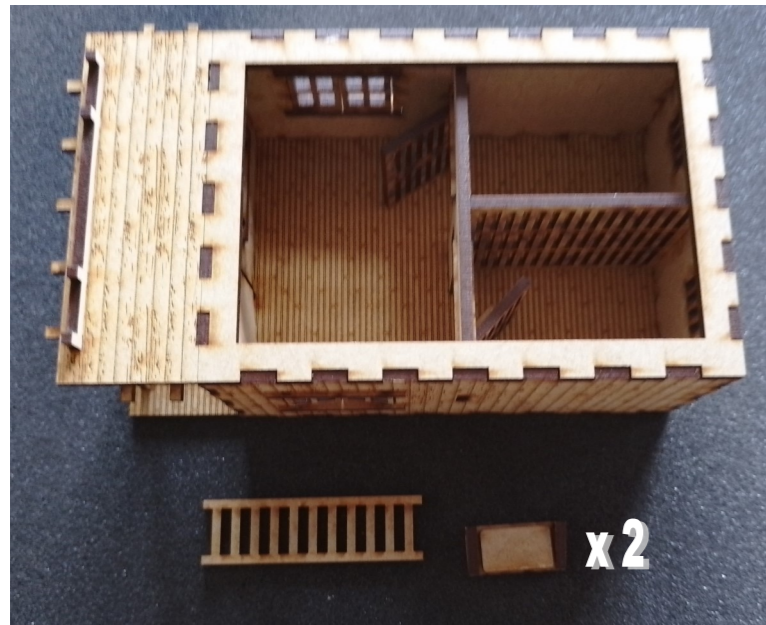

10: Glue shown piece onto the model.
