

With a selection of reflectors, and four sizes (10W, 15W, 30W, 45W) from which to choose, the Ceti range of downlights are an excellent solution for your general lighting requirements. High-quality SMD LED chips provide accurate colour rendering and colour consistency, while ensuring long luminaire life.

Luminous Intensity Distribution Diagram (cd)

Ordering Information

Code	CETI 2	CCT	Reflector	Colour	Dimming		
Example	CI-3029	-W30	-MS	-W	-T		
CCT	Code	Reflector	Code	Colour	Code	Dimming	Code
2700K	W27	Matt Silver	MS	White	W	Trailing Edge	T
3000K	W30	Bright Silver	PS	Black	B	1-10V	A
4000K	W40	Bright Black	BB	Custom	C	DALI	D

Mechanical

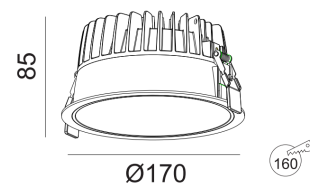

Installation	Recessed
Housing Material	Die Cast Aluminium
Lens Material	Acrylic
Ingress Protection	IP44
Luminaire Diameter	Ø170mm
Luminaire Depth	85mm
Cut-out Diameter	Ø160mm
Weight	0.64 kg

Electrical

Luminaire Power	30W
Driver Included	Yes
Voltage Input	220-240V 50/60Hz AC
Drive Current	700mA

Light Source

LED	Everlight SMD2835
Beam Angle	90°
Luminaire Lumens	2,427lm
Colour Rendering (CRI)	Ra 90
Colour Consistency	SDCM 3
Lumen Maintenance	L70 40,000 hours

160
