## DELIVERY SPEED

Faster than an instant grinder

## ADJUSTABLE SLIDE

Allows to use most of the portafilters on the market

## SERVICE MODE KNOB

2 in 1 grinder to choose immediately the grinding between auto/semi-auto mode

# S75/C68

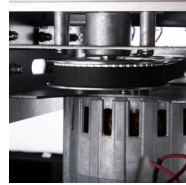

The grinder reinvented

## TECHNOLOGIES

### Delivery system

No more coffee waste for a more sustainable money savvy grinder and a clean work area

### Belt driven motor

No heat transfer from motor, lower temperature fluctuation for ground coffee, steadier extraction

### Conical/flat burrs

Pick the suitable burrs to optimize the sensory profile according to your coffee of choice (single origin or blend)

### Cylinder/burrs adjustment

Easy burr alignment with memory of setting (both conical/flat), reduces service time and cost
