# OUR GINS & SPIRITS

## WHITE PEARL GIN

Our White Pearl Gin is distilled with the Spirit of Broome. Crafted with fruits and spices including juniper, Kakadu plum, white berry bush, mango, tamarind, sandalwood and lemon myrtle, combined with monsoonal rains. Best enjoyed watching the sunset.

## PRIDE TIDE GIN

Pride Tide is our party gin, developed in collaboration with Broome Pride Inc. We've crafted this spirit with all the fun of Mardi Gras. Taste the pineapple, passionfruit and coconut, producing a cocktail of excitement. Savour the tropical tastes, blended with Kimberley botanicals.

## THE PEARLER'S GIN

The Pearler's Gin pays homage to the history, heroes, and heartache of all those who brought us the magic of the Broome pearl oyster. Distilled with juniper berries, Burdekin plum, lemon myrtle, mint and oyster mantle. This Australian dry gin offers a unique minerality balanced with citrus flavours. The perfect gin for a dry martini, gin and tonic, or served neat with fresh seafood dishes. *Proudly produced in partnership with Cygnet Bay Pearl Farm.*

## BLACK PEARL ANISEED SPIRIT

Black Pearl is an aniseed spirit – like an Ouzo, but better! The base star anise is enhanced by the addition of native aniseed myrtle, fennel seeds, cassia bark, caraway seeds, nutmeg and quandong. A flavour burst of tropical Broome.

## ROEBUCK BAY BITTERS

Our Bitters is crafted from over twenty botanicals and spices, with native saltbush and mountain pepperberry providing the quintessential bitter to the sweetness. In perfecting our bitters, we use where possible locally sourced native and West Australian botanicals. Moontide Distillery's low alcohol lemon, lime and Roebuck Bay Bitters is refreshingly different take on the classic.
