TASTING NOTES

The perfect wine to add some fun to any scene! Our second vintage picks up perfectly from the previous one and is yet another well-rounded and refreshing Rosé with fruity notes of watermelon, tart tangerine, and luscious strawberries. The gorgeous salmon pink hue is inviting and its acidity pops upon entry to the palate. Flavors of honey crisp apple and raspberry lead to a smooth and silky finish. The wine is fresh, lively & ready to drink!

TERROIR

The grapes were sourced from sustainable Sonoma Coast vineyards. The 2020 vintage had good growing conditions throughout the season but was met with very challenging harvest conditions.

CRAFTING INSIGHTS

The wine was fermented and aged in neutral French Oak barrels. We blocked malo-lactic fermentation to preserve acidity and freshness. Minimal Sulphur was added to prevent oxidation.
