of blue suede lace.

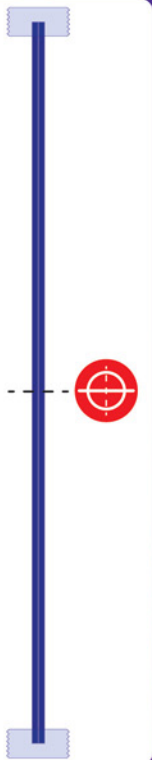

2

Place the laces side by side
on the working station and
secure them with adhesive
tape on both ends.

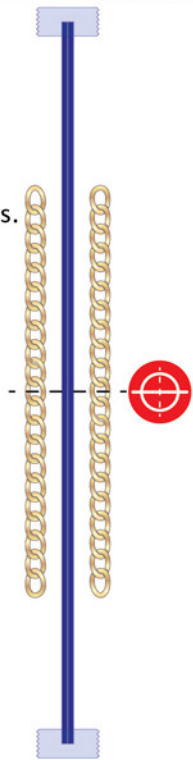

3

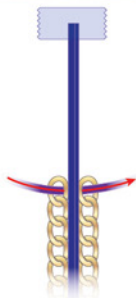

Find the center of the laces.

**4**

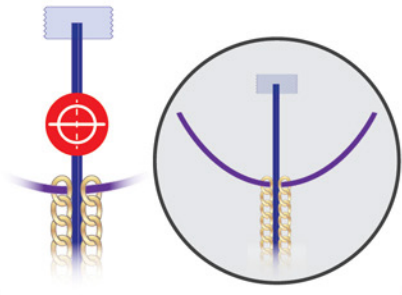

Take two pieces of chain and position them on both sides of the laces. Make sure the chains and the laces are centered together.

**5**

Pass the purple suede lace through the first link of the first chain, behind the blue suede laces and through the first link of the second chain.

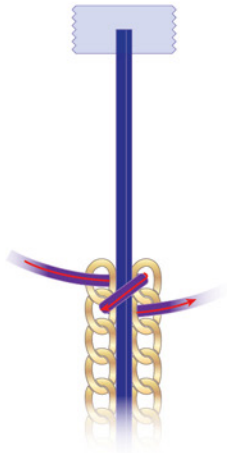

**6**

Pull the purple suede lace end until it's centered behind the blue suede laces.

7

Pass the end of the purple lace over the blue suede laces, through the second link of the first chain, behind the blue suede laces and through the second link of the second chain.

8

Tighten the loop and try to keep the same tightness all along the chains.

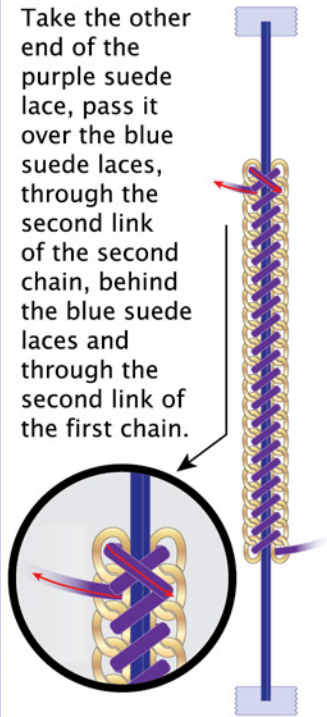

9

Repeat the same action through each link of the chains.

10

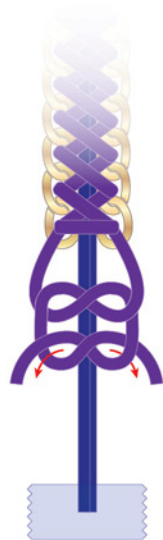

Take the other end of the purple suede lace, pass it over the blue suede laces, through the second link of the second chain, behind the blue suede laces and through the second link of the first chain.

**11**

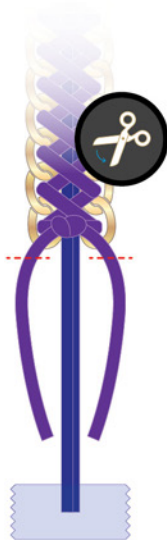

Repeat the same action through each link of the chains.

**12**

Take the two ends of the purple suede lace and tie them in a double knot.

**13**

Cut off the excess lengths of purple suede lace.

14

Take the adhesive tape off the blue suede laces.

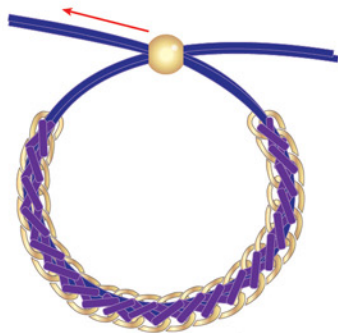

15

Thread one gold bead (B) on the two ends of blue lace on one side of the bracelet.

16

Pass the two other ends of blue lace in the opposite direction.

SO NOT ORDINARY

17

Attach Mal's charm to the bracelet.

18

Repeat the same steps to make Audrey's spellbound bracelet.
