

## WATERVALE RIESLING

### COLOUR

Brilliant in appearance with youthful green tints

### NOSE

Lifted and powerfully scented, the nose is all florals, lemon blossom, kaffir limes, and a hint of granny smith apple

### PALATE

Beautifully layered and with a long finish, the palate brings together the limes and lemons from the nose with the seductive tightly wound acid core, perfectly in sync and made to cellar beautifully for twenty to twenty-five plus years.

### WINE MAKING

A single vineyard wine, made from the Milburn vineyard just north of the Watervale township. The fruit was harvested, drained, and fermented cool over a three-week period. Once completely dry, the wine was stabilized and filtered, and bottled in August 2022.

### FOOD PAIRING

Freshly shucked oysters are the perfect accompaniment

### VINTAGE NOTES

A terrific Riesling vintage; cool nights, warm fine days, a slow ripening and considered harvest set the quality bar very high, well before any winemaking began.

### QUICK NOTES

#### VINTAGE

2022

#### WINEMAKERS

Kevin Mitchell

#### GRAPE VARIETY

Riesling

#### GROWING AREA

Clare Valley

#### ALC %/VOL

12.5%

#### TITRATABLE ACIDITY

7.9

#### PH

2.97

#### CELLAR POTENTIAL

Will age beautifully, with a potential of at least 20 to 25 years
