

Designer Giuseppe Bavuso, anno 2014

Le morbide e accoglienti forme del divano, personalizzabile tramite l'inserimento di elementi angolari, dormeuse e pouf, come della poltrona, sono rivestite in tessuto o in pelle e assicurano grande comodità. La base è in massello di rovere verniciato con telaio interno in acciaio. La struttura in legno è rivestita in gomma poliuretanicica e trapunta in piuma sterilizzata, così come i cuscini arricchiti con uno strato di schiuma memory, che garantisce il massimo comfort.
