

Designer Giuseppe Bavuso, year 2012

Agile and dynamic, Flexa is a pleasant invitation to sit down.
With a strong, never anonymous character, perfect to use as an element
to define an environment, thanks to the soft cover in fabric, smooth leather or leather
quilted in an exclusive Alivar pattern.

Flexa

Cold shaped polyurethane foam padded steel
frame with a layer of Memory foam and
Dacron. Cover in fabric, leather or quilted
leather. Legs in chrome-plated or painted
steel.
