

Designer Giuseppe Bavuso, year 2015

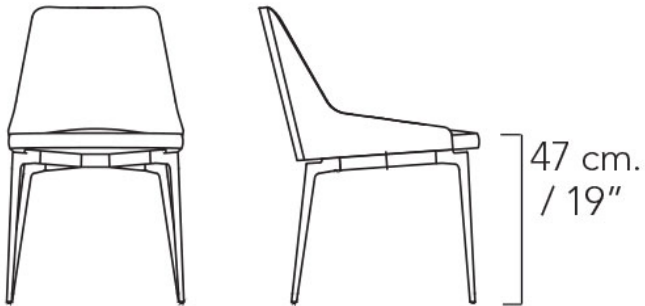

The Annika chair features a harmonious silhouette, with sinuous curves of pure elegance: beauty in simplicity. The enveloping shape of the seatback is designed to guarantee maximum comfort and support.

Annika is a model with a minimalist style. The clean lines and stylish elegance of the seat make it the ideal piece to complete the range of furnishings offered for an "Alivar home".

Annika

Legs in painted or chrome-plated cast aluminium or black nickel. Steel frame upholstered in cold shaped polyurethane foam, class 1M, with polyester fiber lining. Leather or fabric covers.
