

Adan stool

by Teresa Sapey

Teresa Sapey's ADAN contemporary Collection for Vondom is an extraordinary creation that exhibits a lot of personality with its diamond-shaped facets. These versatile pieces go beyond just being contemporary planters; they can also serve as seats, flower pots, or even auxiliary tables. They are more than just objects; they are multifunctional architectural pieces that add a touch of glamour to any setting, blending in seamlessly with any style. Designed using materials that permit both indoor and outdoor use, these pieces are perfect for enhancing your lifestyle.
