Design Ollen Pal

La Consolle Onda con top in marmo è la consolle contemporanea definita da forme morbide e sinuose che donerà eleganza a qualsiasi contesto. Questo elemento di design, perfetto per la parete dell'ingresso, è stato ideato dal designer Ollen Pal e vede una struttura con la base in metallo verniciato che sostiene il piano sagomato in marmo lucido con bordi obliqui, mentre il sottopiano in laccato nero dello spessore 20mm è accoppiato con marmo dello stesso spessore. Le linee avvolgenti della consolle di design creano una base importante, stringendosi in un abbraccio e offrendo delle configurazioni visive che cambiano a seconda delle angolazioni. Disponibile anche in ceramica o cristallo.

The Onda Console with marble top is the contemporary console defined by soft and sinuous shapes that will bring elegance to any setting. Designed by Ollen Pal, this design element is perfect for the entrance wall and features a structure with a painted metal base that supports the marble top with oblique edges, while the black lacquered sub-top of 20mm thickness is coupled with marble of the same thickness. The enveloping lines of the design console create an important base, contracting in an embrace and offering visual configurations that change depending on the angles. Also available in ceramic or crystal.
