Design Ollen Pal

Cilindro Bistro con top in marmo è il tavolo bistrot moderno e alto che trova il suo spazio anche negli ambienti più raccolti. Il designer Ollen Pal si è ispirato allo stile tipico dei tavolini che negli anni Settanta popolavano gli spazi esterni dei bar e lo ha ricreato in chiave moderna e minimal, perfetto per abitare gli spazi di casa con stile. La base in metallo verniciato si può personalizzare, scegliendola monocolora o bicolore. Il piano è reso unico ed elegante dal marmo lucido con bordi obliqui dello spessore di 20 mm. Altissima qualità dei materiali denotano l'attenzione ai dettagli di questo complemento d'arredo, minimal ed essenziale, che conquisterà tutti: marmo lucido carrara, nero marquina e emperador. Con l'allure elegante e contemporanea, il tavolo bistrot Cilindro con top in marmo è perfetto per arredare un soggiorno moderno. Cilindro Bistro, oltre alla versione con top in marmo, è disponibile anche in legno, ceramica e cristallo.

Cilindro Bistro with marble top is a modern and high bistro table that also fits in the smallest spaces. Designer Ollen Pal was inspired by the typical style of the small tables that populated outdoor spaces of bars in the 1970s and recreated it in a modern and minimal way, perfect for furnishing spaces with style. The painted metal base can be customized, choosing it monochrome or two-tone. The top is made unique and elegant by the glossy marble with oblique edges with a thickness of 20 mm. The high quality of the materials shows the attention to detail of this minimal and essential piece of furniture that will conquer everyone: glossy carrara marble, black marquina, and emperador. With its elegant and contemporary allure, the Cilindro bistro table with a marble top is perfect for furnishing a modern living room. In addition to the marble top version, Cilindro Bistro is also available in wood, ceramic, and crystal.
