BLUSH Message

Here at Blush Beauty Group, we pride ourselves on giving you something a little bit different to any other training provider.

Our courses are not only recognised & acknowledged across the UK (some worldwide), but we offer a flexible learning schedule, meaning it's easy to learn around busy schedules & current commitments.

Our centre is located in a working salon environment, so learning with us brings experience too.

Our courses are accredited by VTCT, ITEC & BABTAC, who are all well accepted amongst any insurance provider.

Thankyou for choosing to learn with us, we hope you enjoy it as much as we do teaching you!

Our main aim is to deliver a high standard of vocational training, to ensure our learner gains the most relevant beauty training. The value of our training helps to ensure the beauty industry standards are maintained. Our quality assurance ensures that the level of assessment is fair & valid.

Our flexible learning schedules allows learners to gain qualifications, setting a realistic learning pattern & deadline. Our courses are delivered in a salon working environment, maximising vocational skills & learning.

Our courses offer you all the relevant learning materials & ongoing support throughout the duration of your course. Our guided learning hours are sufficient to allow you to gain the relevant knowledge & understanding.
