

Your Club Guest Account

So that you may fully enjoy the ease and convenience of the Club during your Windermere stay, all meals and beverages are charged to your Club Guest account. To avail yourself of the dining room and bar, you must complete the Guest/Renter Log, attached, and provide us with your credit card information. Without this information on file, we cannot permit you to charge anything to your Guest Account. Please be aware of the following:

- Each time that you dine or enjoy bar service, the staff will supply a check for your review.
- At the conclusion of your stay, you may request an invoice that includes all the charges you have made. Your credit card on file will be charged, and you will be emailed a receipt for the charge.
- Credit card payments are processed via Intuit's QuickBooks secure payment portal.

Please note that payment of Club Guest Accounts is by credit card only – **we cannot accept cash or checks**. If you have any questions about payment procedures or options, please email the club manager at: office@clubwindermere.com

We hope you enjoy using the Club
