

COMMERCIAL SERIES LINE

Better tasting water...

lower maintenance costs

Cost saving benefits:

- Reduced limescale buildup in water valves and tanks helps lengthen equipment life
- Less contamination helps equipment perform at maximum efficiency
- Patented KDF® media helps prevent mold and bacteria growth when filters are not in use
- Cartridge replacement is simple and reliable
- Adapts to any incoming water line
- O-ring design eliminates leakage
- 200-E adapter kit provides easy in-field installation to retrofit into existing systems
- Superb customer service means added convenience and peace of mind

A Hydro Life filtration system can reduce your maintenance costs by 50 percent or more.
