

ESAA – LIVESTOCK TANK CLEANER

ESAA is an all-purpose tank water and surface cleaner that will show immediate results allowing treated waters, uninterrupted use. **ESAA** - naturally eliminates the murky water, odors, toxins and residual food wastes commonly found in stock tanks.

ESAA - will remove the buildup of wastes and keep the horse water trough clean and clear. **ESAA** works quickly and dissipates just as fast with no lasting chemical residue of any kind. Not only clearing your water, **ESAA** will also help by adding oxygen to the water making for a healthy environment. It is safe for humans, animals, plants, birds and fish.

BENEFITS OF ESAA:

- Immediate algae / moss and slime removal
- Clears cloudy or murky water
- Works on contact
- Removes odours
- Adds oxygen
- Water activated
- Non - toxic to fish

APPLICATION RATES:

TANK SIZE (Gal.)	APPLICATION RATE (oz.)
Less Than 25	0.5 - 1.0
25 - 50	1.0 - 2.0
50 - 100	2.0 - 4.0

SAFETY:

ESAA is produced in accordance with NOSB (National Organic Standards Board) guidelines. The materials used in the production process are derived from naturally occurring and sustainable sources and are consistent with organic principals and the National List of Allowed Substances. **ESAA** does NOT contain synthetic chemicals, animal components, and animal by products, manure or manure by-products. **ESAA** is environmentally safe and is not harmful to animals, plants and humans.
