

TAKING IT HOME

For the week of January 6, 2018.

(Questions and Scriptures for further personal study)

1. Heart trouble is a very serious physical condition. According to **Matthew 15:8**, how is a spiritual heart condition even more serious?

2. According to JESUS, where is a spiritual heart issue easiest to spot? (**Matthew 6:21**)

How can we make sure our hearts are in the right place?

3. How does **Hebrews 11:1** describe faith?

The entire chapter of **Hebrews 11** gives examples of people walking by faith. From those verses, what are some of the things those people were able to do because they walked by faith?

4. What could we do this week and all year if we walked by faith? What's stopping us?
