GETTING STARTED _____

1. What are some things people seek guidance for?

2. Who is one person you would likely ask for advice if you had a big decision to make? Why that person?

DIGGING DEEPER _____

1. Read **Psalm 23:1-3**. Oftentimes, we talk about being “led” by God. For example, someone might say, “This is what I feel God is leading me to do,” or “God has really put a burden on my heart to ...” How do you know when God is leading you to do something?

In **Psalm 23:2**, what does David describe God leading him into? In **Psalm 23:3**, what does this ultimately do for the sheep?

2. Read **John 10:10-16, 27**. In order to be led by Jesus we must be able to know and hear His voice. What does it mean to know and hear the leading of Jesus, the Good Shepherd?

What are some ways we can listen to Jesus’ voice?

3. According to the following verses, what are some ways in which God gives us direction?

- **Psalm 119:105**
- **Philippians 4:6**
- **Proverbs 15:22**
- **Proverbs 14:8, 15**

4. How does Paul describe God’s will for us in **Romans 12:1-2**? What is necessary before we can know what His will is?

When it comes to knowing God’s will, why do you think most people ask, “What do I need to do?” instead of, “Who do I need to become?”
