For the week of May 12.

GETTING STARTED _____

1. What's one important life lesson your mom taught you?

2. Do you notice some of the traits and habits of your mom in yourself? How do you think your mom's example has affected you?

DIGGING DEEPER _____

1. We heard Sunday, "Moms fill a role no one else can fill." What is the role of moms in the spiritual formation of their children? What is the church's role in the spiritual formation of children?

2. How did Paul describe the faith of Timothy, his mother and grandmother in **2 Timothy 1:5**?

In your own words, what does it mean to have a sincere faith? Which elements of faith do you think are essential for the next generation of Christians to understand?

Why is authenticity such a crucial part of leaving a legacy of faith in the lives of our children and the next generation?

3. What additional information do we learn about Timothy's spiritual upbringing from **2 Timothy 3:14-17**?

Since the faith of Lois and Eunice was "sincere," and since Timothy had learned the Scriptures since childhood, what can we infer about Lois and Eunice's relationship with the Word of God?

Can you pass along sincere faith to your children and the next generation without demonstrating a genuine love for the Word of God? Explain.

PRACTICAL APPLICATION _____

1. Read **Hebrews 3:12-13**. What is the role of every Christian in helping others develop soft and open hearts toward God?

2. How have you seen your view of God and Scripture passed down to your own children or others within the next generation?

How can we encourage our families and friends to love and serve God more fully?
