

PRACTICAL APPLICATION _____

1. According to **Psalm 122:6-7**, what should be our responsibility to the city of Jerusalem today?

2. According to **1 Corinthians 12:24**, what is our responsibility to others in the body of Christ (the Church)?

3. One of the reasons it was important to build up the city of Jerusalem was so that it would be a beacon and example of God's purpose in the world. In the same way, how can we as the church share hope and lead by example, especially during this time?

GETTING STARTED _____

1. What was your biggest takeaway from Sunday's message?

2. Nehemiah was one of the most unique leaders of all time. Besides the accomplishment of rebuilding the wall in 52 days, what else impresses you about his leadership?

DIGGING DEEPER _____

1. One of the first things Nehemiah did after the wall was built is found in **verse 1 of Chapter 7**. What was it and why was it important?

2. One of Nehemiah's great accomplishments throughout this project was giving everyone a role and getting them to work together. According to **Ephesians 2:8-10**, what is one of the reasons God created us?

What does it mean that God has already prepared situations for us to do good works? And how can we find out what those are?

3. In **Nehemiah 7:5** we're told a book was found, and from that book Nehemiah was able to determine who belonged by their birth. The following verses talk about another book. What is it and why should it be important to us?

- **Revelation 3:5**

- **Revelation 20:15**

According to **Luke 10:17-20**, what did Jesus say to His disciples about this book?

How would someone get their name in this book?
