For the week of July 1, 2018.

(Questions and Scriptures for further personal study)

1. Can you name some of the ways God has blessed America?

Read **Genesis 12:1-3**. What did God say would happen as a result of Abraham being blessed?

What is our responsibility with the blessings we've received (**Proverbs 11:25-26**)?

2. When crises come and the future seems bleak, where do people normally turn for help?

Why is God the only One worthy of all our hope and trust?

3. What sins do we need to repent of as a country?

What would it look like if we did that?

4. Revival in a nation starts in the hearts of individuals. Where do we need to steadfastly seek the Lord for personal revival today?
