(Questions and Scriptures for further personal study)

1. Do you think some people want God out of America? Why?

According to **Jeremiah 18:7-10**, what does God do when a nation turns from evil? What about when they don't?

2. Tim Keller says an idol is, "Anything more important to you than God, anything that absorbs your heart and imagination more than God, anything you seek to give you what only God can give." What are some of the biggest idols people worship in America?

5. Is there hope for someone who repents (**Acts 2:38; Acts 3:19**)?

3. Is it possible our nation could be under the judgment of God right now? If so, why?

How does Heaven respond when someone repents according to **Luke 15:7**?

4. Read **2 Chronicles 7:14**. These words were spoken to the nation of Israel and don't serve as a promise to us, but represent an important principle. Is there hope for a nation that repents?
