# TAKING IT HOME

*For the week of August 18, 2019*

(Questions and Scriptures for further personal study)

1. Costi explained that the prosperity gospel is so deadly because it gets “Jesus” wrong. What are some of the implications of not believing in and understanding the true Jesus Christ?
2. Why is it “biblical” to call out false teaching? (Read Romans 16:17-18; Ephesians 4:11.)
3. What are some forms of “power” that we trust in to reach people that replace the gospel? How can a church use innovative methods while never compromising the message?

# TAKING IT HOME

4. Pastors may have different roles but all must have a shepherd’s heart. What are some qualities of a pastor you can trust?
5. What are some abundant blessings that are not material or financial?
6. Who are you going to reach out to this week with the true gospel and invite to Crossroads for this summer series?
