SQUEEKY KLEEN

MANUAL DISHWASHING LIQUID

Squeeky Klean is a highly effective manual dishwashing liquid designed for use in both commercial and domestic kitchens. This powerful formula effortlessly cuts through grease, grime, and food residues, leaving dishes, utensils, and glassware sparkling clean. The combination of surfactants ensures a high-performance cleaning action while being gentle on the skin and safe for everyday use.

Powerful Degreasing: Formulated with strong surfactants it easily removes tough grease and food residues

Visibly Clean Results: The green liquid contains a color indicator to ensure the right amount of product is used, providing a satisfying visual experience.

Gentle on Hands: Balanced pH and mild ingredients ensure that the product is safe for frequent use

Biodegradable: Made from readily biodegradable ingredients to reduce the environmental impact..

Pleasant Fragrance: Infused with a refreshing lime fragrance that leaves dishes smelling fresh and clean.

Environmentally Safe

Although certain concentrated ingredients and surfactants may carry potential environmental risks, their levels in this product are kept very low, helping to minimize any impact on the environment.. The product is not classified as dangerous for long-term environmental exposure. It focuses on biodegradable surfactants, making it relatively safe for the environment with minimal ecological impact.

Cleaning Efficacy

Squeeky Klean is formulated with effective cleaning agents known for their excellent detergent properties. It is designed to handle tough cleaning tasks, particularly for manual dishwashing, with ingredients that cut through grease and stains effectively.

Personal Safety

The product and dilute solutions of the product should not be allowed to come into contact with the eyes.

Transport Safety

Squeeky Klean is not classified as a dangerous good for transportation by road, rail, sea, or air. This means it can be shipped easily without the need for special precautions, making it exceptionally safe for transportation under normal conditions.

SQUEEKY KLEEN

MANUAL DISHWASHING LIQUID

DIRECTIONS FOR USE:

Washing Dishes:

Dilution Rate:

For Light Soiling: 1:50 (1 part Squeeky Kleen to 50 parts water)
For General Cleaning: 1:30 (1 part Squeeky Kleen to 30 parts water)
For Heavy Soiling: 1:10 (1 part Squeeky Kleen to 10 parts water)

Cleaning Instructions:

Preparation:

Fill a sink or basin with warm water and add Squeeky Kleen according to the appropriate dilution rate based on the soiling level.

Washing:

For lightly soiled dishes, use the diluted solution and a sponge or cloth to clean the surfaces.
For heavily soiled or greasy dishes, apply a small amount of undiluted Squeeky Kleen directly to a sponge and scrub, or use a higher concentration in the wash water.

Soaking (Optional):

For tough, stuck-on food, allow dishes to soak in the Squeeky Kleen solution for a few minutes before scrubbing.

Rinsing:

Thoroughly rinse all dishes with clean water to remove any remaining product and ensure no residue is left behind.

Drying:

Allow dishes to air dry or use a clean towel.

Safe Handling & Storage Instructions

Safety Information:

While Squeeky Kleen is safe for everyday use as a dishwashing liquid, it is classified with mild risks:

- Serious Eye Damage / Eye Irritation: Category 2

Wear rubber gloves and avoid contact with eyes.

Packaging:

Squeeky Kleen is available in various packaging sizes, from small bottles for household use to larger containers for commercial kitchens. Consult the Safety Data Sheet (SDS) for specific storage instructions.

Technical Data

Appearance:	Green, slightly viscous liquid
