

# Welcome Back to the Old World!

This Escalation league is for players interested in the Warhammer: The Old World both new and old, with the focus being on learning/relearning the rules, gradually introducing more units, and working up to a 2000 Point army. We'll have a dedicated game night on Friday nights, but players are welcome to play in the shop any time of the week!

## Who do I play? How do I organize games?

Once the league begins, we'll have a list of players participating so you know who you are looking to play. We encourage players to organize and share their games on our Discord server's Old World channel, which you can find here: <https://discord.gg/MSxfbq2vwr>

## What do I get?

We'll have a variety of raffle prizes available both from week to week, and at the culmination of the league. Each week we'll draw a prize for a player participating in League Night, and a prize that can be won by anyone participating in the league. All tickets that aren't drawn are added to the draw at the end of the league, so if you haven't won, your chances go up!

Players earn raffle tickets from the following:

- Signing up for the league
- Play against a new opponent
- First win of the week
- Paint a unit
- Play a game on League Night
