

WHO ARE WE?

QVWC SHOP is an initiative of The Queen Victoria Women's Centre, an iconic Melbourne landmark that supports women (cis, trans and non-binary inclusive) through creative experiences, community resources and the power of connection.

WHAT WE DO:

QVWC SHOP is a social enterprise feminist gift shop that showcases and supports entrepreneurs.

We offer **quality, locally made gifts.**

Through our community of makers and artists we can help to source a wide range of locally made, artisan products that support women entrepreneurs across Victoria.

WHY CHOOSE US?

Curated gift box solutions across many categories at **price-points to suit everyone.**

Our products are ready to gift and send, **Australia Wide.**

Work with us to **add your own branding** to your gifts through custom design labels & gift cards.

OUR IMPACT

QVWC SHOP proudly stocks the work of over 100 women artists, authors, designers and makers from across Victoria.

Since launching in March 2020, we have generated over \$310k in revenue back to women-owned small businesses.

With your support we can grow our impact even further in 2023-2024.

VALUES-LED GIFTING

We encourage **mindful, values-led gifting** and we partner with small businesses who share these values and use **business as a force for good.**

CUSTOM PRODUCTS

QVWC SHOP has also developed our own popular gifting products in collaboration with local partners, including our 2024 art calendar and popular feminist flames quote candles.

If you have any idea for a customer branded product we'd love to help make it happen.
