## WHAT OUR CLIENTS ARE SAYING...

---

*“I would use Booze & Snacks again in a minute! I called them last minute and they were able to deliver 20 packages the next day. The process was so easy and so personalized. I sent them a message to include with the boxes and they went above and beyond and designed a little card with our logo. Everyone who we sent them to loved their boxes, and were so touched that we had sent an unexpected treat! As a side note, prices were really reasonable compared to other delivery services.”*

**- EMILY LOHSE-BUSCH**

Executive Director, Arch Grants

*“Wow! Today was fantastic. We had great feedback from the people we sent Happy Hour boxes to. Yet, more importantly, Evan did a great job with the Happy Hour cocktail class demo. He was talented, energetic, knowledgeable, and willing to share it all with our team. Such Fun! We needed that.*

*Expect to see more business from Stifel folks as time goes by.”*

**- BETH HYSER**

Marketing Director, Stifel
