HD Bliss 2 Digital Hearing Aid

Introducing the HD Bliss 2, our latest pre-programmed solution tailored to address challenges related to speech clarity. Suitable for occasional use.

Ideal for a wide range of applications including everyday listening, TV usage, and small group scenarios.

Equipped with a rechargeable feature, simply use the convenient rocker switch to adjust volume and switch between programs.

This model offers two program settings for versatile use:

- Universal
- Noisy Environment

Each pair of devices is accompanied by a selection of fitting tips available in small, medium, and large sizes, ensuring a comfortable fit for everyone.

Don't just take our word for it...

"I was hesitant to try hearing aids at first, but Hearing Direct made the process easy and comfortable. Now I can hear everything I've been missing and I feel more confident in social situations." Sarah, age 42
