RENT vs BUY

The shoulders should never extend past the natural edge.

Less taper = less flattering midsection.

Sleeve length is tough to get right - often too long.

OTR jackets are often longer than necessary to "fit" more people.

Pants bunched near the bottom? They're too long.

Look As Good As You Feel On The Big Day

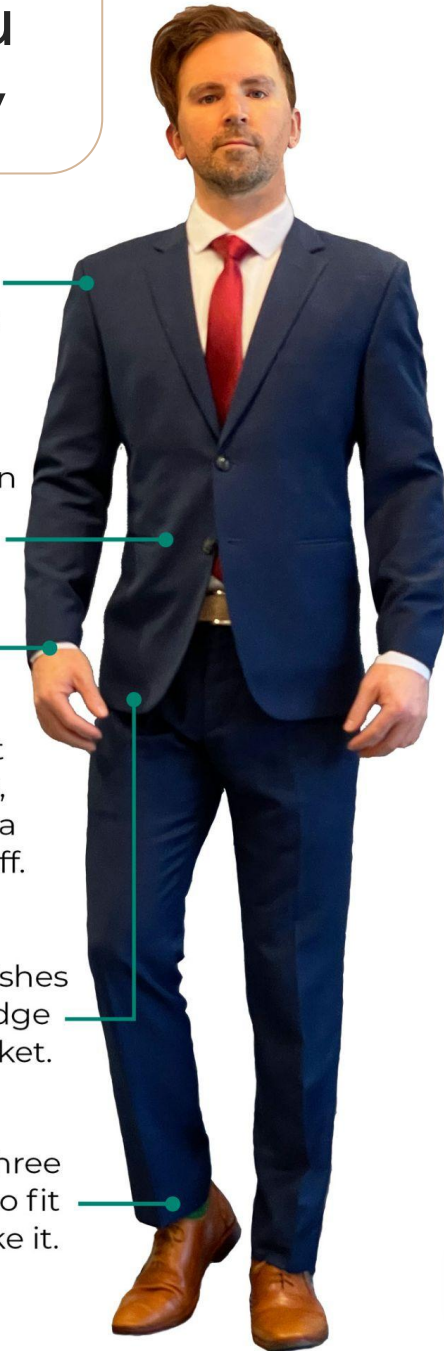

Shoulders that accent & support your silhouette.

Tapered midsection that accentuates your body shape, but not too tight.

Sleeves finish at the wrist's edge, showing off just a bit of the shirt cuff.

Jacket length finishes at the bottom edge of the pants pocket.

Sartoro offers three pants lengths to fit just how you like it.

A proprietary algorithm analyzes your inputs against over 50,000 real body scans and millions of data points... in seconds.

The resulting measurement profile is as accurate as an in store fitting. If anything isn't right, **you're covered by our fit promise & free remake guarantee.**

“

I love my suit. I was a little skeptical that it would fit without seeing anyone but I was completely wrong. It is the best fitting suit I've ever worn. The material was top notch and the details were spectacular. The exact look I wanted for my wedding.

Exceptional Group Rates Flexible Payment Options

Sartoro custom suits not only look better - they're also a great deal.

The cost of rentals can reach \$250+... for a suit that "might" fit *and* has to be returned the next day. You don't have to choose between looking great and staying within your budget. **All parties of 4+ are eligible for special group rates, starting at \$50 off.**

We offer flexible payment options to suit your preferences, and do our best to work within your budget. **Grooms have the option to cover part (or all) of the groomsmen's outfits.** Additionally, we offer pay over time options through Affirm.

The Affirm logo consists of the word "affirm" in a bold, lowercase, sans-serif font. Above the letter "i" is a blue arc that starts under the "a" and ends under the "m".

Suit Up, Pay Later.

Make four interest free payments with Affirm.
