drill hole
Toggle Bolt - 1/2" diameter
Concrete Anchor - 5/16" diameter 2" deep

#2

8.26 inches

210mm

Installation Template

177mm

6.96 inches

Level - Line

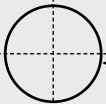

-0.5° rotate to right line

Wall stud location option #1

Wall stud location option #2

What's this???
Prevents slipping out of level over time by preempting minor bolt/washer movement.
Watch the installation video on www.dahanger.co
