

Overview

#NIMBLnation is more than a hashtag. It's a commitment to our partners to provide the best muscle wellness tools, education and resources to help you and your members achieve peak performance.

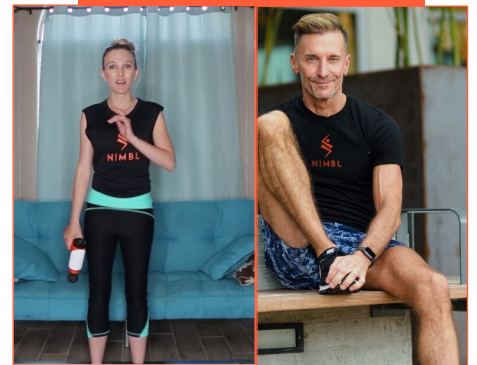

Elite Education

Team NIMBL is a group of elite experts in athletic performance, physical therapy and overall wellness. We help our partners succeed by providing commercial grade muscle recovery tools that work better and perform better.

Our online education and white-glove service provide your team with the knowledge and strategies needed to shine with your clients.

Superior Muscle Recovery Tools

The NIMBL XLR8 and XPRS percussion guns are commercial-grade to provide the durability, ergonomics and refinement required by fitness professionals, physical therapists and their clients.

NIMBL percussion guns are lightweight, whisper-quiet and offer precision speed settings and attachment heads to make them go-to tools for your team.

Performance  Recovery  Pain Relief
