

RBM Noor

Bringing life to rooms

Designed for love at first sight

In 2013 Scandinavian Business Seating launched the RBM Noor family, a wide and versatile range of colourful chairs that easily combine with every purpose, room or environment and that brings life to rooms.

RBM Noor is a contemporary classic of meeting, conference and canteen chairs with a strong Scandinavian identity and environmental design with high ergonomic comfort, adding vitality to working spaces and sociable places.

The RBM Noor family is a result of an innovative design collaboration between the designers: Form Us With Love from Sweden, StokkeAustad from Norway, Susanne Grønlund/Grønlund Design from Denmark and the design team from Scandinavian Business Seating.

In 2013 RBM Noor won the renowned design award "Red Dot; Best of the Best". The following year RBM Noor received the Award for Design Excellence by Norwegian Design Council, and was in addition nominated for the special Honours Award for Design Excellence.

StokkeAustad

A rewarded design agency in Oslo, Norway, creating value through design. Revealing the essence of each design challenge StokkeAustad creates holistic and profitable solutions.

Form Us With Love

The studio Form Us With Love operates from Stockholm, Sweden. Guided by a strong belief that holistic design thinking is the way forward. In 2012 the Fast Company listed FUWL as one of the worlds 50 most influential designers.

Susanne Grønlund/Grønlund Design

Susanne Grønlund is an acknowledged and awarded Danish designer, rooted in the Scandinavian design tradition and with a long term experience in new product design and development in various categories

RBM Noor

RBM products bring good energy to the room with a new and inspiring Scandinavian design, creating an inviting and positive mood.

RBM colours bring life to any room.
The new options give numerous combinations and more freedom to find your expression.

For leg colour combinations please see the RBM price list or visit www.sbseating.com/RBM

The only thinkable way
we could find to raise the bar
was to increase the height

RBM Noor Up

63 centimetres above the floor is our secret. It's a perfect height for social sitting and a perfect way of keeping the conversation going. For a long time.

RBM Noor Up makes you sit comfortable, and when seated next to a 90 cm table with good friends, the ergonomic social seating is complete.

6090/6095:

- 63 cm seating height, perfect fit for 90 cm high tables
