Penny Coat Stand

The Penny Coat Stand is an unconventional coat stand. The asymmetrical design adds an extra dimension to the product. It appears differently depending on the angle of view. Penny is both aesthetic and functional at the same time and does not compromise the primary function of a coat hanger despite its distinct and unique expression.

Designed by busk+hertzog

The Danish design duo was established in 2000 with a clear vision of being innovative and professional - but also with the aim of leading and inspiring a new generation of designers to further develop the Danish design legacy. The duo is located in Lisbon.
