Commercial UVC air purifier

Product Parameter

Filter :	Pre Filter+photocatalyst+HEPA+Carbon Filter+Cold catalyst+Anion Filter
Particulate CADR:	800 M ³ /H
Usable Area:	90-120 m ²
UV Power:	15 W
UV Wavelength:	254 nm
UV life:	8000 hours
Power:	65 W
Cable:	1.9 m
Voltage:	220 V/110 V
Warranty:	motor and PCB 2 year
N.W:	29.6 KG
G.W:	30.7 KG
Product Size:	530*330*890mm
Package Box:	610*410*940mm
Accessories:	remote control,manual,Packed in neutral colorful box

PROFESSIONAL CARE FOR CLEANING

AIR PURIFIER

Particulate CADR
800 m³/h

Usable area
90-120 m²

Anion concentrations
2500 million

Features of this product:

1. 6 stage air purification
2. Double filters with great anti-bacteria effect
3. Child lock
4. 5 levels of powerful Hepa Filtration
5. Built in UV-C light and Ionizer
6. Timer Set(8hours)
7. PM2.5 Detection
8. 4 Fan speed setting with auto mode
9. Modern design with large flow rate
10. Displays air quality in real time
11. Custom WiFi

BEST SOLD LARGE CADR INDUSTRIAL AIR PURIFIER

Product Introduction

Motor
DC Copper
Motor

Power: 110W
Voltage: 220V
Noise: $\leq 70\text{dB}$
Wind Capacity: $900\text{m}^3/\text{h}$

SHOW DETAILS

LARGE TOUCH SCREEN

EASY TO OPERATE
ONE TOUCH

Special filter design

Hepa Level 12 Filter can remove Dust, bacteria, pollen smoke up to 99.9%

Filter Stages

PP Pre+ HEPA+Carbon Filter+Photocatalysis +UV lamp Anion concentrations: 5 million

HEPA: Best for allergies, gather dust, pollen and animal dander.

UV light: Kill germs, mold, viruses and vacterias.

Negative Ion: Removes odor, pollution, improve breathing.

Pre-filter: Pre-filter catches hair dist-extending the life of the HEPA.

Carbon: Absorbs fumes, odors, smoke and gases.

Sensor: Sensor detects dust, odor, pollen, save energy.

Professional Filtering & Sterilizing Technology

AIR PURIFIER
Sterilization rate up to 99.9%

Large cycle super purification
With particulate cadr 350m³/h

DUST MITES

PET DANDER

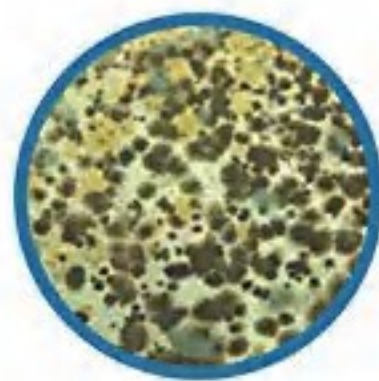

POLLEN

Effectively remove dust, mold, Pollen, pathogen, aerosol, decoration Pollution.

SMOKE

MOLD

BACTERIA

Enjoy a clean life and control It at any time

Remote control allows you to Enjoy fresh air for the first time.

Remote control

Pattern adjustment

Timing reservation

Negative ion purification

Thanks
