Description

The Acapulco Collection by Harmonia Living blends mid-century design with modern funk to create a new standard of comfort and style. The collection is inspired by woven furniture that was popular in Central America in the 1950s and '60s, featuring a breathable and supportive design. This makes the Acapulco Collection ideal for dining even in the warmest climates. The collection is constructed with powder-coated steel, making it incredibly durable and weather-resistant. The black frames are wrapped in a supportive Glacier Blue Polyethylene cord, creating the hammock-like netting that is the hallmark of the collection. The 5 Piece Acapulco Dining Set includes 4 Dining Chairs and a Dining Table for comfortable outdoor dining and relaxation. The dining chairs are generously sized and are as great for lounging as they are for dining. The dining table has a spacious glass top with an umbrella hole, blending its sophisticated look with functionality. Overall, this set is sure to make an impression. If you are looking for patio dining that is both fun and sensible, then the Acapulco Dining Set is for you.
