Description

The Acapulco Collection by Harmonia Living blends mid-century design with modern funk to create a new standard of comfort and style. The collection is inspired by woven furniture that was popular in Central America in the 1950s and '60s, featuring a breathable and supportive design. This makes the Acapulco Collection ideal for unwinding, even in the warmest climates. The collection is constructed with powder-coated steel, making it incredibly durable and weather-resistant. The black frame is wrapped in a supportive Glacier Blue Polyethylene cord, creating the hammock-like netting that is the hallmark of the collection. The 6 Piece Acapulco Chaise Lounge Set includes 4 Chaise Lounges and 2 Side Tables for outdoor relaxation. The chairs are designed with a fixed, contoured position, which distributes your body's weight across comfortable strapping and cradles you in comfort. The side table features a matching radial design and comes with a glass top, perfect for holding your favorite summer beverage. If you are looking for a patio lounge set that is both fun and sensible, then the Acapulco Chaise Lounge Set is for you!
