Description

The Acapulco Collection by Harmonia Living blends mid-century design with modern funk to create a new standard of comfort and style. The collection is inspired by woven furniture that was incredibly popular in Central America in the 1950s and '60s, but features a modern update with lots of color. The Acapulco Bar Table sports a radial, hourglass design with a large glass top, creating a bold yet sophisticated look. Beyond its chic design, the table is constructed with a powder-coated steel frame, which makes it incredibly durable and weather-resistant. The frame is wrapped in a sturdy Polyethylene cord, giving the collection its distinctive look.
