Description

The Acapulco Collection by Harmonia Living blends mid-century design with modern funk to create a new standard of comfort and style for your patio. The collection is inspired by woven furniture that was incredibly popular in Central America in the 1950s and '60s, creating seating that is supportive and breathable. This makes the Acapulco Chaise Lounge ideal for unwinding, even in the warmest climates. The lounge is contoured to distribute your weight, allowing maximum restfulness for your entire body. Beyond its comfortable design, the chaise lounge is constructed with a powder-coated steel frame, making it incredibly durable and weather-resistant. The frame is wrapped in a supportive Polyethylene cord, giving the collection its distinctive look.
