#### Description

A unique, stylish design gives the 4 Piece Dune Loveseat Set by Harmonia Living an edge when it comes to creating an original style for your outdoor space. Its beautiful wicker is finished with a weathered Driftwood finish and is made from High-Density Polyethylene (HDPE), which ensures that the wicker will neither fade nor peel in regular sun exposure. What makes the Dune Collection unique is its high arms, modern style, and extra-plush cushions, all with a hint of classic traditional looks. Its teak feet elevate the seats in an attractive fashion that accent the wicker. The cushions are made from solution dyed Sunbrella fabric with a 5 year fade warranty, and are highly water and stain resistant.
