Description

It doesn't get cooler than Frank to add some heat to your outdoor living space. Chic and sleek, The Frank Stackable Dining Chair by Harmonia Living always brings the party! Born from a stout fully welded steel frame, we then apply an automotive style Electrophoretically Deposited Primer (EDP) undercoat designed to protect the frame from corrosion. A durable non-gloss powder coat finishes the job. A touch of Midcentury Palm Springs style in durable indoor-outdoor friendly materials. Frank also plays well with others - especially our Betty Bistro Table! Frank and Betty make a great pair for your next gathering.
