### Description

---

However you configure the Lift Chaise Lounge, it's a savvy, versatile choice for your outdoor space. Dismissing both the ordinary and the extravagant, the Lift's simple, chic style and White finish fit most any palette and decor. The seat is extra comfortable thanks to soft text llene sling material and a supportive backrest. This modern patio dining chair features an aluminum frame with a protective powder coating. A

floating seat design adds a hint of elegance, and interest. The chairs stack for easy storage in the off-season, so feel free to order as many as needed for your perfect patio party.
