

MERIDIAN SERIES

Direct Vent Gas Fireplaces

INSTANT WARMTH AND COMFORT LEAVE TIME
FOR THE IMPORTANT THINGS IN YOUR LIFE

Meridian shown with Tavern Brown traditional interior, mesh front in Black and custom surround

Meridian Series Direct Vent Gas Fireplaces

Meridian series gas fireplaces come alive as flames swirl around split logs. A crisp and clean interior makes these fireplaces inviting, whether they're burning or not. Easily customize your Meridian series and for more ambiance, more heat and bigger flames, upgrade to the Meridian Platinum.

Meridian Quick Look

- Realistic split logs and flames
- Full-depth firebox perfect for medium and larger rooms
- Customize the interior with authentic brick panels or reflective black glass
- Upgrade your views and flames with the Meridian Platinum

MERIDIAN FEATURES

- 36" or 42" sizes
- Two fronts, three finish options
- Choices of interior brick panels or reflective black glass (optional)
- Up to 35,000 BTUs
- Optional fan and remote controls

MERIDIAN PLATINUM FEATURES

- 36" or 42" sizes
- Two fronts, three finish options
- Choices of interior brick panels or reflective black glass (required)
- More flames and upgraded log set

Mantel Systems

Visit majesticproducts.com for a variety of options and additional information on mantel systems, shelves and stone surrounds.

Move heat where you want it – Heat management solutions

Optional Fan

Move heat directly into the room for added comfort.

Heat-Zone™ Kit

Draw heat from your fireplace to another room in your home.

Heat Duct Kit

Send the warmth from your fireplace to the rest of your home via the furnace ductwork.

Heat Out Kit

Draw heat from your fireplace and direct it outside for comfort year round.

Install Virtually Anywhere

Power Venting

A fan-powered accessory with slim venting can zigzag throughout your home—install a gas fireplace virtually anywhere.

IntelliFire™ Touch Ignition System

The most advanced and intuitive IntelliFire system, making operating your fireplace simple, smart and safe. Select the wireless wall switch or touchscreen remote for the solution that fits your life.

Direct Vent Technology

Direct vent fireplaces remove 100% of combustion exhaust and odors from your space. These sealed fireplaces provide optimal heat, conserve energy and ensure clean indoor air quality.

Limited Lifetime Warranty¹

The strongest in the industry, Majestic provides a limited lifetime warranty on gas-burning products of the most important aspects: firebox and heat exchanger.

Your Majestic Dealer:

¹: For full warranty details go to majesticproducts.com. The information provided in this literature is for planning purposes only and subject to change. Please consult the installation manual for actual installation. Actual product appearance may differ from product images. Fireplace, stove and insert surfaces get extremely HOT and can cause severe burns if touched. Keep a safe distance away.
