44,000 btu

T-LINE-7MGBW Commercial Patio Heater in Bronze Wicker. The new T-Line series features upgraded hardware, finishes, and eco-friendly heating options. The solid reflector dome sits over a modernized weather proof Wicker base that encases the upgraded solid steel assembly. The advanced infrared emitter distributes 46,000 BTUs of Natural Gas heat to a 100 square foot area. The contemporary hour-glass shape creates a cultured appearance and ensures stability. Manual Touch-to-Start electronic ignition along with our Tilt Switch Auto-Shutoff makes it simple, safe, and fast. This model includes a free 10-foot quick connect gas line (\$100 Value). Available in premium finishes and additional accessory options makes the T-LINE-7MGBW a need for your outdoor environment.
