Features

- Proprietary Al-Stone aluminum table top (Barnwood Finish) is scratch resistant, will hide fingerprints and dust.
- Table does not have an umbrella hole.
- Upholstered "indoor look" dining chair for outdoor use.
- Stackable design makes storage convenient and easy.
- The dining table requires assembly, the chairs do not.
- Extendable dining table with built-in storage for extending leaf.
- The Tailor dining chairs have a sling upholstery fabric wrapped around the aluminum frame, to keep

this outdoor dining chair clean, simply hose off and air dry.
- Includes outdoor fabric seat cushions which can be spot cleaned with mild dish soap and water. For tougher stains, the cushion cover can be zipped off and machine washed with cold water, air dry only.
- If you don't use the middle extension leaf regularly, we recommend extending the table occasionally and exposing the middle leaf to sunlight so that it will match the tone of the other two table top sections.
