

QUALICOAT STATEMENT

January 8th, 2022

This is to declare that our suppliers of aluminum pipes and their coating hold a license and a valid "Qualicoat Seaside" certification related to the painting of the outside surface.

They provide us with products meeting the requirements for SEASIDE class and are authorized to use the quality sign shown above according to the REGULATION FOR THE USE OF THE QUALITI SIGN FOR PAINT, LAQUER AND PODWER COATINGS ON ALUMINUM.

Kind Regards

UNIPIPE
