# VOLLEYBALL & DODGEBALL

Volleyball, a court game in which two teams hit a soft beach-style ball only with their hands backwards & forwards over a high net. Ball hits the floor, the team gets a point! First team to score the maximum points wins... Dodgeball slightly differs with the main objective being to eliminate all members of the opposing team by throwing the ball at them. Players must dodge the ball to remain in the game and the team who manages to eliminate all of their opponent's first are deemed the winners! Check out the full range of balls today...
