

DUAL-ACTION JADE FACIAL ROLLER

Discover the power of this ancient beauty tool to boost skin's function and naturally enhance your complexion. Our unique Dual-Action Jade Facial Roller features a smooth, polished end and a textured, studded end crafted from high-quality Xiuyan Jade.

- BENEFITS | STUDED**
- *Reduces the look of fine lines and plumps to smooth deep wrinkles*
 - *Releases fascia to help improve muscle function*
 - *Temporarily stimulates circulation to feed the skin and improve healing function*
 - *Tones and firms the appearance of skin*
 - *Activates the deep dermis-layer of skin to boost and maintain elasticity*
 - *Gently exfoliates and improves product absorption for maximum benefits*
 - *Won't break or damage the surface of the skin*

- BENEFITS | SMOOTH**
- *Cools and calms the look of skin*
 - *Eases muscle tension*
 - *Reduces the appearance of puffiness and under-eye bags*
 - *Encourages lymphatic function*

CARE | Wash your jade roller with soap and water. If your jade roller is squeaky, just add a few drops of serum to the end of the rollers.

CAUTION | Avoid areas of inflammation or broken skin. Do not use the studded end on the same day as exfoliating products. Sensitive skin should only use studded end once a week.

DIRECTIONS | Always prep skin with an oil serum and use light pressure when rolling. Roll each end over both sides of the face, following the diagrams.
