Redbank Sunday Morning Pinot Gris is handpicked, chilled and gently wholebunch pressed to retain aromatics, with cool fermentation retaining the subtle, delicate aromas and textures of Pinot Gris. The wine is bottled soon after vintage to retain and maximise the delicate varietal aromas.

TASTING NOTE

The pinnacle of our Pinot Gris – handpicked, Chilled overnight and gently whole bunch pressed to retain the grapes aromatics. We then cold ferment the juice to allow the expression of the aromas. Strawberry and granny smith apples on the nose followed by white pear and preserved lemons on the palate. A great wine to serve with fish and Italian style meals.
